 **joachim.castorph@kapellmann.de**

Joachim Castorph advises and represents clients in all areas of private construction law and on project development issues. His consulting practice focuses on energy projects, in particular wind, solar, and battery storage projects. He advises on all civil law issues (in particular on securing land and the construction and operation of facilities). He also advises on project structuring, contract drafting, and project transactions.

Curriculum vitae

- Studied law at Ludwig Maximilian University in Munich (2013 to 2017) and at the University of Augsburg (2017 to 2019)
- Legal clerkship in the Munich Higher Regional Court district, including positions at the Government of Upper Bavaria - South Bavarian Public Procurement Tribunal and a large international law firm
- Ongoing doctoral studies on a topic related to European law
- Attorney at a law and patent law firm, 2025
- Attorney at Kapellmann since 2025
